Preface

My work in tracing the Gorsuch family history began about 50 years ago in 1961. It started as a Sunday school teaching and soon became a lifetime hobby (some might say an obsession).

I've always enjoyed talking to people and this sure gave me an opportunity for that. In the beginning I recorded the names and dates of my own family and that of my parents and grandparents. I visited with aunts and uncles and started to branch out with my many cousins. Then there was the many letters and hundreds of phone calls. I never kept track of the phone calls and I hesitate to say thousands, but my last book contained over 3500 names in the index, so I suppose near thousands could be possible. Today I have a data base of over 36,000 names in a computer database of Gorsuch relatives as well as many other family lines. In doing this I learned that most people are very curious to learn of the extended family, even though most do not want to go to the drudgery of talking to so many relatives or researching it on their own. There were very few who were not willing to help me in my search. Of course 50 years ago there wasn't quite the problem of trying to rip off a person's identity. I don't remember having much trouble with that and the last few books that I've published are mostly second editions. So a lot of those I spoke to either have a former edition or at least have heard of me through others. I've talked to others who find that over half the people they contact over the phone are afraid to talk to them. Somehow we got on the subject of the scam artists in a call I made and the person I talked to said I sure had the voice for it. I don't know if that was a compliment or not! For a couple months several years ago I studied some of my telephone bills and found that I was spending an average of over 1500 minutes a month on the phone (did I say something about being obsessed)? For the most part I've left off the last two generations. I've had several people asking me not to include their children or grandchildren, or pictures of them in the book. However, I have included most of my own family. I don't seem to be afraid of that, or at least haven't been frightened by it yet.

With most of the people I talk to I have a pedigree chart, either on the computer or hand written, with their family line and I tell them how I tie into it, so for the most part that does put them more at ease when I know the names of their parents and grandparents.

I need to give my wife, Evelyn, much credit for this Gorsuch book. For in the 1960's when I spent most of my time on other lines of the family, Evelyn took it upon herself to interview some of the families in and around Poweshiek County, Iowa and to write quite a few letters on my behalf. It wasn't but just a few years ago that I noticed how much she had accomplished that I picked it up and ran with it. Of all the books that I've published this is one of the largest.

Most of my earlier books started with a second great grandparent and I traced their families down to the present time. Actually this is a second edition to the first Gorsuch book I published in 1969. That book was the history of the same descendants of the same grandfather. However, I gathered 691 known descendants of two of his known children (Joshua and Charles Gorsuch). It was a rather crude book of 158 pages, with very few sources of where I found the data. For the second book I published on the Gorsuch family I dropped Joshua and published the book only on the children of his son, Charles Gorsuch. This book was called the Charles

Gorsuch Genealogy and listed 919 descendants of Charles. This was a hard cover book of over 300 pages. For the most part the last two generations were left off. Actually, I think you should find it rather easy to fill in the gap with your families by either talking to your relatives in person or over the phone. Thomas Gorsuch was my 4th great grandfather. He may have been your 6th, 7th or even 8th great grandfather. However, he was a grandparent to all of us. If I had been successful in tracing each family down to the present day, the book would have several thousand names and would consist of several volumes. The father of our Thomas Gorsuch was Charles Gorsuch born about 1725 to 1729 and had 6 known children. The father of this Charles was another Charles born in 1687 and had 8 known children. The father of this Charles was another Charles Gorsuch born in 1642 in Walkern, Hertfordshire County, England. He died in 1716 in Baltimore, Maryland. The father of this Charles was The Reverend John Gorsuch born 1609 in Hertfordshire County, England. He died there in 1647 and his death came from being persecuted for his religious beliefs. He had 12 known children and it was his son Charles born in 1642 who came to America. All of our relation came from this Charles. I have comprehensive records of several hundred of these children, but they are so far distant as to not be of much interest to most of us so I left them out. If included I would have to had at least a second volume. The Gorsuch line goes back another several generations, but it would have been an almost impossible task to include them all with all of their children. This is not meant to be a story book, but more of a reference book. However, in the appendix section, which comprises the largest portion of the book I listed the many sources that I searched to write the book. I listed the many personal visits, the hundreds of phone calls. As many of the birth, death and marriage records that I could find. The obituaries and in the last couple of years the thousands of Census records, which listed the ages, occupations, the places where our relatives lived and where and when they moved, along with the names and numbers of their children and where they were born. Most of the data I found in the Census took place from about 1850 through 1930. The 1940 Census just became available about the time I was putting the finishing touches to the book. I have included some of the 1940 Census, but ran out of time and space in the book for most of the 1940 Census. There was also the data from many individuals listing their personal records on the Internet. I incorporated many of these records with the owners names who were responsible for these records. Perhaps you can pick it up where I left off. I had never given much thought to how many babies and young children were lost, but in searching the Census, I see that it was many. The living conditions 100 years ago, and further back, was much harder than we have it today. I've lost two children myself, so I can sure sympathize with them.

Especially in the early years I made many visits to courthouses, searching for birth, marriage and death dates, to newspaper offices for old obituaries, which gave a fair account of the lives of many that died years ago and also to cemeteries for birth and death dates. We sometimes joke of how our children grew up in cemeteries!

Many years ago I did a lot of traveling and when I could arrange it, I made it a point to travel through the areas where relatives lived. I remember spending many hours in phone booths and made lots of phone calls from motels. I used to write many letters, but the returns were so poor that I resolved mostly to phone calls in later years.

I stopped making the phone calls sometime early in the year 2007. It had to have a cut off at some point. If I kept going maybe I could have found a few more cousins, but then there would have been a few more deaths, etc.

I made every effort to make this work as complete as possible. Although, for a good part of this book, I relied on correspondence and your personal knowledge for its accuracy. When I relied on personal knowledge I tried to either contact you or a close relative who would have the correct dates. If you have ever read a family history book with nothing but names and dates it about bores you to death. With this in mind I did ask for your occupations and the church or place you were married to add a little more interest. Please keep in mind that this book extended over fifty years in gathering data so some of the occupations may be outdated.

In this book I have gathered over 2600 descendants of our Thomas Gorsuch and his wife Keziah Wheeler and the lives of their nine known children. With the exception of his daughter, Sarah I have a history of all his other children.

This is the third book that I used the internet for a large portion of my work. There is a very popular internet source called Ancestry.com. The use of this site is responsible for a good portion of this book. I was able to use the Census records to a large degree. The Census from 1850 to 1930 has much information on each family with names of each member of the family, as well as dates and places, also occupations. At the time of this writing we were not allowed to use the 1940 census. I was pleased to see that for the many family lines that I am working on the Gorsuch family has generated much interest, and the family in general was well represented as you can see from the many Census entries. You will notice in the Census entries in the Appendix section of this book, from one entry to the next, the parents of an individual quite often have a different state they were born in. The Census takers interviewed each family in their homes and I believe that a lot of the individuals really didn't know where their parents were born. I recorded each family exactly as it was entered in the Census.

If this book hadn't been so large it may have been fun to add a chapter or two on some of my experiences over the many years of doing research, on several different family lines.

Although, for the most part, I enjoyed every minute of it! There were a few times I couldn't help but laugh with the people I was visiting. Other times it made me sad to learn of the family problems that many of us seem to have. Of course I didn't record anything that I thought would embarrass anyone. Actually, there was a time or two that I think I kind of feared for my safety before I could leave.

Rather than devoting a chapter to it I will briefly touch on maybe three or four incidences I thought was noteworthy.

Several years ago, while visiting with a father, he told me of an incident when one of his sons had brought his girl friend to the home and for some reason they brought out an earlier family history book that I had published. While looking through it the boy found out his girl friend was a cousin that had not been known. To quote the father, "The boy took the girl friend home, dumped her and that was the end of that." (This was not part of the Gorsuch family).

Another time while visiting a mother over the phone, I was asking marriage dates, birth dates, etc. Rarely do I ever question a discrepancy, especially over a marriage and birth date. But here the dates were not close. Upon further questions she told me the two teenage children had been adopted but the children didn't know it. I was amazed she would tell me and not the children.

One time returning home from a several day road trip, I knew I was in the vicinity of a family that I was having trouble gathering data on, so I stopped at their home. The father, mother and me were sitting around the kitchen table and a daughter was sitting to the right along the wall. I was asking the parents questions on the family and when the time came for the daughter, I turned to her and asked how she spelled her last name. The guy I suspected was her husband was in the living room, directly behind me. She looked puzzled and when she got up I followed her, turning my head. I could see the guy's feet from where I was sitting and he had his right leg crossed over his left knee. She walked up to him and while kicking his right leg off his left, she said "Hey dummy, how do you spell your name?" I eventually got it all straightened out but it was a little messy.

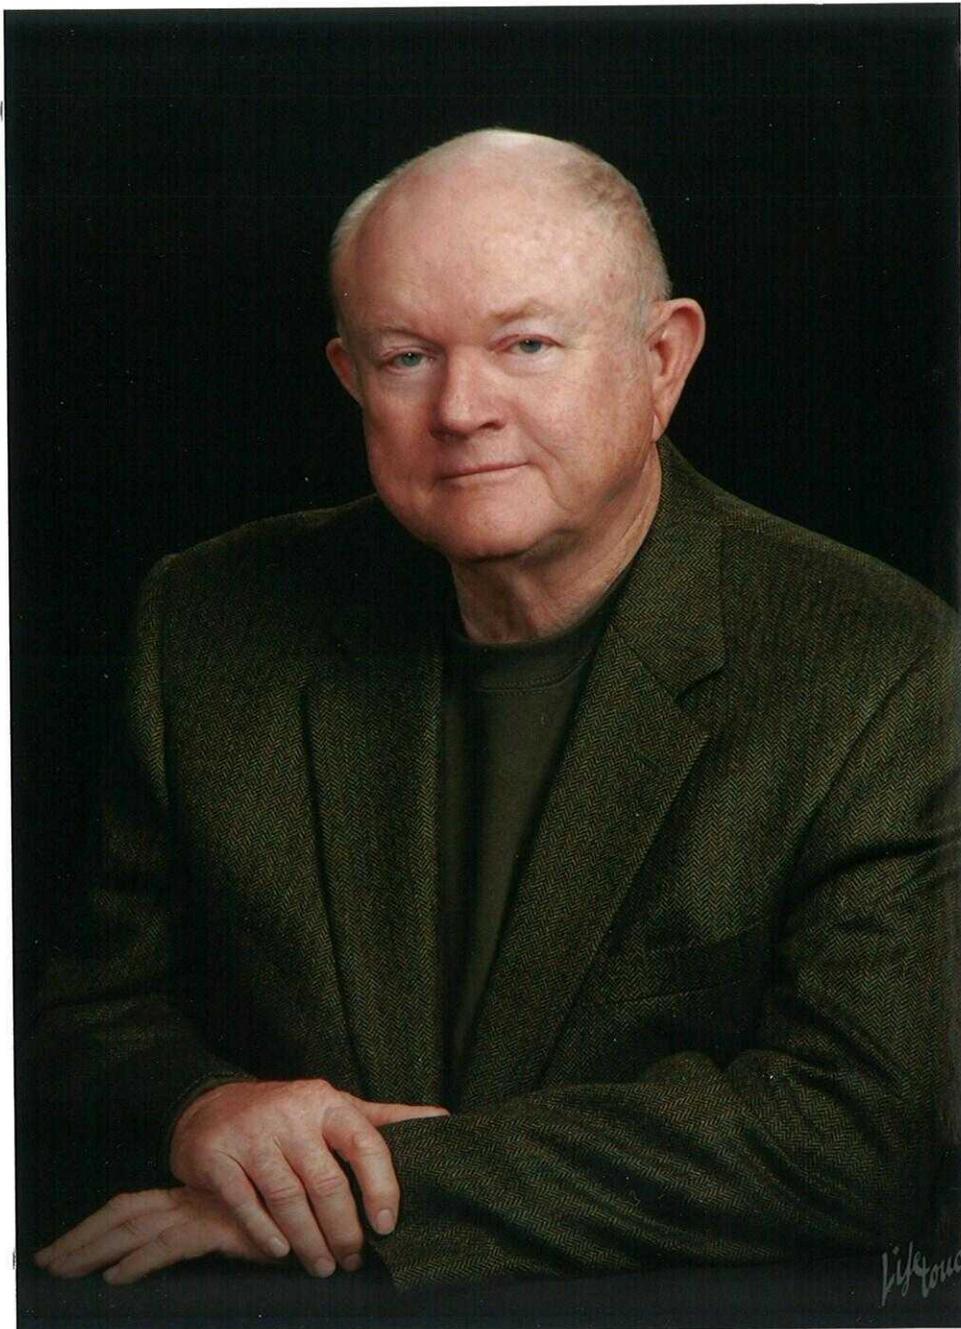

Another road trip I enquired where a certain widower lived and stopped at his farm home. It was a wet rainy night and I found it to be a very old and large farmhouse. Upon entering the house I found it to be very dark inside and the man was mainly living in the kitchen to conserve energy. The room was very dark with two sets of very large double doors which were drawn shut and the only light in the room was a 40-watt light bulb hanging from a long wire in the center of the room. We sat down at the kitchen table and the man pulled out a fifth of whisky and while placing it on the table said, "Do you indulge?" It turned out to be a very good meeting and I learned a lot, but in the beginning I was a little nervous. It would have made a good Halloween setting!

I could go on and on, probably boring you to death. Hopefully you can get the idea that I enjoyed ninety nine percent of my experiences. Although on rare occasions it could get a little hairy.

I would like to have had more time to make the book more complete, but none of my children are interested in family history and as I seem to be getting older I thought If I didn't publish this, one day I'll be dead and the fear that it could one day be destroyed keeps pushing me along. Especially since I have several more to publish.

You'll probably notice the book has been computer written. It has taken me more than 50 years to compile all the data and just before I started to write one of my last books by hand, I realized that I had a computer program that was capable of writing it, using the same numbering system that I have always used on my previous books. Actually the computer wrote most of the book. If I told you how long it took you probably wouldn't believe me anyway, but I'll risk it by saying it took only a few seconds. Then it took me all day to print off the master copy. For the most part, this book will not be for sale unless I can put it on CD's. I'll donate copies to some of the major historical libraries around the country and print a few for close

relatives. Although the book will be copyrighted you have permission to copy any part of it for your own use, but not for profit.

What is a "Coat Of Arms"

From the earliest times it was customary for warrior chieftains to display on the battlefield some emblem distinctive of themselves or of their family or tribe. These insignia were usually arbitrary, changeable at the whim or will of the chief; they were not necessarily symbolic nor were they always hereditary.

However, the introduction of armor in the twelfth century made the bearing of such definite distinguishing marks a military necessity. Since the helmet usually covered the face, and the body was encased in armor, it became essential for the knight to wear on his shield some appropriate colors or markings by which in the excitement of battle he might be plainly recognized by friend and foe alike. During a campaign or at the tournament these differentiating emblems often appeared also on the helmet crest and the lance pennon as well as on the shield. Hence the entire device was referred to as a "crest". Regularly they were woven into the fabric of a garment worn over the armor on ceremonial occasions, and at times to protect the armor and its wearer from the heat of the sun. This practice gave rise to the term, "coat of arms".

When the knight appeared in full dress at a tournament, an official called a herald, announced to the spectators his identity and usually described for them his insignia. This identification was called "blazoning the arms". In time the whole art of identifying the arms, the interpretation and application of the rules and customs that governed the adoption, designing and registration of armorial bearings came to be called "heraldry".

Since the adoption of armor and the concomitant use of heraldic devices became widespread in Europe within the space of a few generations, there was danger that two or more knights might choose the same identifying symbols. To avoid this confusion, in the course of time the sovereign gradually appropriated the right to approve, through official heralds, the particular distinguishing marks to be used by those entitled to display a coat of arms. And this the right to use specific and distinctive heraldic devices came to be recognized as a mark of nobility or honor in the realm. The right was also granted as a reward for or in recognition of some outstanding achievement or patriotic service.

Certain heraldic devices, when originally chosen by their wearers, were meant to symbolize some attribute associated with the knight or the family. For the most part, however, the original meanings of the symbols have been lost. In the vast majority of cases, the designs appearing on coats of arms were chosen merely as differentiating marks, and carry with them no special significance, historical or other. At the present time, the interpretation, if any is attempted or given by authorities, is at best traditional.

Although the following Coat Of Arms is for one Gorsuch family, any other family would need to make a change, however small.

Key To The Numbering System

Although this book is indexed, it also follows a numbering system. By understanding this system one can easily trace his relationship. So that it can better be understood, an example follows:

Thomas Gorsuch, (our great grandfather) is listed as number 1 on page 1. His children follow in numerical order 2 through 10, which are also found on page 1. You will note that the children are indented to the right, whereas the parents are carried to the far left margin. Child number 3, (Benjamin Gorsuch), which is the first child of Thomas Gorsuch to have had a family of his own, with children. You will also note the + sign to the left of his name, which indicates he also has children of his own. So you will note on page 2 he is listed as a parent and the numbers of his children are carried in numerical order 11 through 21, which are found on page 2. Child number 5 is the second child of Thomas Gorsuch to have children of his own. He is listed as a parent on page 2 and the numbers of his children are following the last child of Benjamin Gorsuch. So in numerical order you will see his children are numbered 22 through 30 on page 3. You will note that children 23 and 29 have no children of their own, so their data will stop here on page 3.

To trace the line backward for person number 5, Nicholas Gorsuch found on page 2, merely turn the pages to the left until you find him listed as child number 5, which is found on page 1.

At first this may appear confusing. However, I believe if you will follow along the pages as you read this you will soon be able to trace any name forward or backward.

Of course, to originally find the name you are looking for, you would use the index.

In addition to the index this book is divided into two parts. There is the main body, listing all 2639 descendants. Then there is the Appendix following the main body, each person with the corresponding number of each individual in the first part. The spouses will have an S following their number. Here you will find where all the data came from. All the personal knowledge. All the phone calls. For many of the individuals you will find Census records giving the ages of each individual in 10 year interments, showing where they lived and where their parents lived. Their Occupations, Obituaries, Birth, Marriage and Death Records and basically all the data I could locate on each individual. I also tried to incorporate all this in the main body, but take my word for it, it worked better here. There are even a few personal stories if I could find them. As I mentioned in the Preface, there are often discrepancies from year to year on the places of birth for the parents and grandparents. I recorded the birth places as they were found. I believe in many instances the child really didn't know where the parents were born.

Obituary Mary Ann Gorsuch

Died, March 22, AD 1847, at her residence in Mahaska county, Iowa, Mary Gorsuch, daughter of Daniel Bosley.

She was born in the year 1805 on the 8th of November in Baltimore County, Md. Attracted by the love of the Saviour, at the age of eighteen she eagerly embraced the truth which freed her from the bonds of iniquity and associated her name with those on the register of Methodism and like the soldier, who before entering the conflict counts up the cost, she determined on victory of death.

Being convinced that marriage is honorable in all, at the age of twenty she connected her destiny in this life with Joshua Gorsuch and emigrated with him to Delaware county, Ohio, in 1835. After a residence of eight or nine years, being allured by the beautiful, uncultivated fields of Iowa. They sought and found a home in these western wilds in 1844.

Sarah Elizabeth Gorsuch was born in Baltimore County, Maryland, on the 16th day of August, 1826 and died at her home in Montezuma, Iowa, September 12, 1906, being 80 years and 27 days old.

In early youth her parents moved to Ohio where she grew to womanhood and then they moved to Iowa. She was married to John Morrison on the 3rd day of November 1845. They riding on horseback from the parental home at Bethel Grove to the Justice of the Peace near Oskaloosa, Iowa., where the marriage was solomized.

To the union were born ten children, six sons, two of whom died in infancy, and four daughters. Four sons and four daughters grew to manhood and womanhood, and with the exception of one son who lives in Idaho and one daughter who died in 1883, all were present at the funeral.

Of the three sons present, one lives in Kansas, one in Colorado, and the other near Des Moines, Iowa. In about 1856 the family moved to Kansas and there lived for a time and passed through much of the terrible experiences of the Border Warfare Days. In the latter part of the 50's they returned to Montezuma and in 1862 Mr. Morrison volunteered his services to his country's call and leaving his wife and eight children entered the army. He came home sick in November of 1863 and on the 24th of March 1864 he joined the ranks of the innumerable beyond the grave.

For more than forty-two years this wife and mother has been true to the companion of her youth and not until last year when prevented by illness did she fail to visit and decorated the grave of her soldier husband on decoration day. She possessed the traits of a mother, a neighbor, and a friend. For these she was widely known and universely beloved.

Both parents born in Kentucky. Margaret had 9 children, 8 living in 1900.

Margaret came to Iowa with her parents in 1850.

Margaret is a sister of Mary Jane Murrow, wife of Daniel Locke Gorsuch.

Obituary Margaret Ann Murrow

Margaret A. Murrow was born in Park county, Indiana, August 15, 1835, and died at her home in Montezuma, Iowa, February 26, 1910, aged 74 years, 6 months and 11 days.

In 1850 she came with her parents to Iowa, being one of the pioneers of a new country.

On March 11, 1852, she was united in marriage to Thos. B. Gorsuch. To this union were born nine children, four sons and five daughters.

After living in Iowa for four years she and her husband emigrated to Kansas, where they resided for a period of three years. After which they returned to Iowa and in 1861 settled on a farm near Montezuma, Iowa.

In August, 1862, the husband enlisted in Co. B, 40th Iowa infantry and followed the flag for three years until the close of the war. These were surely long years of hardship to the wife at home caring for the five children then in the home and dreading the news that might come any day telling her that she was a widow and that her children were fatherless. The husband returned from the war, but died Dec. 30, 1884, thus she was left to walk alone through long years of widowhood and old age. But she was sustained and comforted by the abiding presence of her Savior, loved by all and a blessing to those with whom she lived. In 1902, she, with her two daughters, Laura and Edith, moved to Montezuma.

In 1862, during the pastorate of Rev. Busby, she united with the M. E. church. She has been true and during her life she always tried to live the golden rule, "Do unto others as you would that they should do unto you." She was gentle and loving and no sacrifice was too great if by it she could add to the comfort, convenience of happiness of her family or friends.

One son passed away in infancy, the remaining children of the family live near and were often at the home and all were privileged to be with the mother during her last days.

About two years ago the deceased suffered a severe stroke of paralysis and on Feb. 13, she suffered the second stroke. She lingered until Saturday morning, Feb. 26, when at five o'clock she quietly passed to her eternal reward.

The surviving children are Mrs. Ella Jones, John J. and Daniel T. Gorsuch, of Montezuma, Mrs. Sarah E. Butler, of Barnes City, Mrs. Emma R. Wells, of Ewart, Charles, Laura and Edith Gorsuch, of Montezuma. These, with a large circle of relatives and friends remain to cherish her memory.

Funeral services were held from the home of the M. E. Church on Monday at 2 p.m. Feb. 28. Rev. H. F. Gilbert preached from Ps. 31:15.

Obituary Mary Ann Gorsuch

Mary Ann Gorsuch was born in Baltimore County, Maryland, March 13, 1833, died at home near Circleville, Kansas, January 1st, 1909, being 75 years, 9 months and 20 days old. When she was quite young her parents moved to Iowa. At Oskaloosa, Iowa, she was united in marriage on January 23rd, 1850, to John Deardoff, who was buried January 1st, 1907, just two year before the day on which she died. To this union were born 12 children, seven whom are gone before to welcome father and mother, while five remain to mourn their loss. The first two and last two children died in infancy. Johnny was killed by lightning at the age of four; Charley died at six and Hugh at 33 years of age. The living children are Joshua, Mary, William, Laura and Effie. The grand-children number 36 living and two dead, great grand-children 16, her living descendants being 57.

She joined the M.E. Church at about fifteen years of age, and until her death, over sixty years, remained a faithful member.

Theirs was a christian home and all of the living children are church members, proving again the wisdom of training a child in the way it should go. She was not prominently identified with public manifestations of christian duty, but gave her all to home and children which God had entrusted to her care and training so that, like the woman of old, "Her children rise up and call her blessed." As the word of the Lord hath spoken, Prov. 31:30.

The funeral services were held at the house Sunday afternoon, conducted by Rev. Mr. Herrington. The services was largely attended, many old friends coming from a distance. The interment was in Circleville Cemetery.

Pleasant Deardorff

Pleasant Deardorff, born in 1831 in Indiana, was one of nine children born to John and Aphracia Johnson Deardorff. Jacob, John, Margaret, Pleasant, Nancy, Thomas, Paulina, Elizabeth, and William Henry. It can be presumed that he is named after his grandfather, Pleasant Johnson, on his mother's side. Pleasant was a farmer by trade, was married, fought in the Civil War, was widowed, and then remarried. On August 23, 1851, at the age of 20, he married 16 year old Rebecca Gorsuch. The wedding took place in Mahaska County, Iowa. They had four children: Minerva 1853, Mary Aphracia 1855, John Franklin 1857, and William Pleasant 1861 - 1863.

Pleasant served two and a half years in the Union Army during the Civil War. At the age of 31, Pleasant enlisted in the army at Montezuma, Iowa, (Poweshiek County) on August 14, 1862. The Civil War was taking place and Pleasant served in Company B, 40th Regiment Iowa Infantry. He served until the spring of 1865 when he was honorably discharged. The Company Descriptive Book listed that Pleasant had served for three years and participated in the siege of Vicksburg, the skirmish at Oklahoma, Arkansas, engagements at Prairie d' Anne and the battle of Jenkins Ferry (4/30/1864). He was 5 feet 11 inches tall, and had a fair complexion, blue eyes, and dark hair. Medical records from the War Department indicated that he was hospitalized several times for chronic diarrhea, jaundice, and rheumatism. Accounts from Otto Beeler stated that Pleasant had sustained a gun shot wound in the leg, but this was not documented in the records.

In 1864, while Pleasant was still in the service, Rebecca, his wife of thirteen years and mother of his four children, died. The cause of her death has not been found, and the care of the children during the absence of their father until his return from the war is unknown. A year and a half after his return, however, Pleasant married again, Catherine Carr Chadwick already had three children with her first husband, Oliver Chadwick. Catherine divorced Chadwick on October 16th, 1866, in Mahaska County and married Pleasant on October 29, 1866, in Montezuma, Poweshiek County. No documentation to explain the divorce and hasty marriage two weeks later had been found, but the couple soon moved from Poweshiek County to Madison County, Walnut Township. They were recorded in the Census there in 1870. Pleasant and Catharine plus his children (Minerva, Mary, and John), her children (William, Ira, and Wesley) and two children of theirs together, Emma Luella (8/9/1867 and Charles Carr Deardorff (1/4/1869). Later, one more child was born to the couple, Pleasant Harland (11/5/1872).

Pleasant and Catherine were married only six years before he died at the age of 41. He is buried at

Ebenezer Cemetery southwest of Truro at the NE end, a red gravestone and the GAR (Grand Army of the Republic) war insignia.

Obituary Daniel Locke Gorsuch

Daniel L. Gorsuch died at his home in Montezuma, Saturday October 5, after an illness of long duration. For nearly sixty years the deceased lived in this community where he raised a large family and gained and held the respect of all who knew him.

Mr. Gorsuch was indeed a pioneer. He came here in an early day and with his young wife settled down to a long and useful life. For fifty-six years this happy couple shared each others sorrows and joys. Then death came to call the good wife. A lonely husband was left to travel the highway alone. He did it without fear or complaint, continued to do his part in trying to make the world a better place in which to live, found enjoyment in the love of children for whom he had sacrificed and toiled. And when death seemed near, with a smile he told the loved ones he was ready. Uncle Dan will be missed by old and young. He was everyone's friend, always cheerful, always hopeful.

The funeral services were held from the M. E. Church Monday afternoon, conducted by A. B. Cadwell. A very large number of relatives and friends were present to pay a last tribute of love and respect. At the grave the burial service of the K of P order was given.

Daniel L. Gorsuch was born in Delaware county, Ohio. March 22, 1837, the son of Joshua and Mary Bosley Gorsuch. The deceased was a lad of but seven years when he came with his parents to Iowa in 1844 and located a claim in Mahaska county. Poweshiek county was at this time a frontier district, where but three or four white families lived. In the spring of 1856 the father sold the homestead and moved to Kansas where he spent his remaining days. Daniel L. remained in Kansas about four years. In 1860 he came to Poweshiek county, locating on a farm in Jackson township near the Mahaska county line and here he lived throughout his active labor in agriculture. Practical and systematic in the conduct of his affairs he accumulated a competency and in December, 1908, he moved to Montezuma where he died.

May 30, 1860, in Mahaska county, Mr. Gorsuch was united in marriage with Miss Mary Jane Murrow, a native of Indiana, born August 8, 1842. To this union were born twelve children five of whom with the mother preceded him in death. The children still living who mourn the loss of a kind and loving father are

Fred Gorsuch of Baileyville, Kansas, Mrs. Angie Tilford of Waterloo, George Gorsuch of Des Moines, Mrs. James Bangham, Mrs. Frank Butler, J. B. Gorsuch and C. C. Gorsuch of Montezuma. He also leaves twenty-two grand children, and nine great grandchildren and an aged sister, Mrs. Dorcas Moore of Circleville, Kansas, whose son Daniel Nelson was present at the funeral. Mrs. Moore is the last of the family.

Obituary Mary Jane Gorsuch

Mrs. D. L. Gorsuch, one of the pioneers of this section of Iowa, passed away Monday, February 14, at the family home, in Montezuma, after months of intense suffering.

The deceased came to Iowa in an early day and was a continuous resident for more than sixty years. Here she was married, and as the years went by watched over and directed the footsteps of a large family of children. She was a fond mother, a loving wife, ever ready to sacrifice for those she so dearly loved. In her younger days when strong and vigorous she was an active participant in all the things that made for closer community, social and religious life.

In the last years of a long life well spent she gave stronger evidence of a beautiful christian character.

Racked with pain and disease her suffering was intense, but through it all no word of complaint was ever uttered.

The funeral services were held at the M. E. Church, Wednesday afternoon, conducted by Rec. George Blagg. Here a large number of relatives and friends gathered, some of whom knew the deceased in the early days, to pay a loving tribute. Internment was made in the Montezuma Cemetery.

The public extends to the bereaved husband, who is bereft of a companion of more than half a century, and the sons and daughters, heartfelt sympathy.

Mary J. Murrow was born in Park county, Indiana, August 8, 1842. In 1850 she moved with her parents to Iowa and on May 30, 1860, she was united in marriage to D. L. Gorsuch. Shortly after marriage Mr. and Mrs. Gorsuch moved to Jackson county, Kansas, but after a few months residence there moved back to Iowa. They resided for a while in Montezuma and then moved to the farm southwest of town, where they lived for forty-three years, laboring together and bringing up a large family.

Seven years ago they retired from the farm and came to Montezuma to live and enjoy a well-earned rest.

For Mrs. Gorsuch these years were, for the most part, years of suffering, yet she endured that suffering with great patience and fortitude. The children and the husband cared tenderly for her until the final summons came on Monday afternoon, February 14, 1916, and she passed away, aged 73 years, 6 months and 6 days.

Mrs. Gorsuch was the mother of twelve children, five of whom preceded her in death. The children, who, with the bereaved husband and father, mourn her departure, are; Mrs. Elizabeth Bangham, Mrs. Angie Tilford, Grinnell; Fred Gorsuch, Baileyville, Kansas; George Gorsuch, Des Moines; Mrs. Laura Butler, John B. and Clay Gorsuch, of Montezuma. She also leaves twenty-one grandchildren and seven great-grandchildren. She professed faith in Jesus Christ as her Savior at an early age and united with the Christian Church. About twenty years ago she united with the Methodist Church at Bethel Grove, retaining her membership there to the time of her death.

Obituary Dorcas Gorsuch

Dorcas Gorsuch, daughter of Joshua and Mary Gorsuch, was born November 9, 1840, at Toledo, Ohio. She moved with her parents to Iowa, where they lived for a short time, when in 1856 or 1857 they came to Kansas, locating near Circleville. In 1860 she was united in marriage to Issac Nelson. To this union were born four children, Enzer and Joseph, who now reside at Lincoln, Calif.; Mary, who died in her second year; and Dan, who has been his mother's constant companion all his life. She was one of the pioneers, enduring the ups and downs of the early settlers of Kansas. Her death leaves only one of the pioneer settlers in this community and that one is Mrs. E. E. Myers. She was married a second time to Ephraim Moore in 1879. He preceded her in death September 8, 1893. At the age of 14 she became a member of the M. E. Church to which she remained faithful to the end. Aunt Dorcas, as she was familiarly called, departed this life at her home February 20, 1929, at the age of 88 years, 3 months and 11 days. She was an affectionate mother, a good kind neighbor and a Christian woman. The funeral was held at the M. E. Church Friday afternoon at 2:30, conducted by her pastor, Rev. F. R. Creekmore. The pall bearers were W. T. Owing, Clate Hill, Carl Tannahill, Roy Daugherty, N. A. Brown, J. R. Gibson. The pastor wishes to thank the neighbors and friends in behalf of Dan and other relatives for their kind assistance during the sickness and death of their loved one, and for the floral offerings also. She was laid to rest in the Circleville Cemetery on the hill.

His full name was Joshua Roberts Gorsuch. However, everyone knew him as Joshua R. Gorsuch.

Occupation: Farmer

Obituary Joshua R. Gorsuch

Joshua R. Gorsuch was born in Harrison County, Ohio on September 1st, 1831, and died at his home in Montezuma, on December 1st, 1907. The grandparents of Mr. Gorsuch were born in Maryland as was his father, Charles Gorsuch, while his mother was a native of Ohio. Mr. Gorsuch was the second child of a family of nine children. Charles Gorsuch was a large farmer in Delaware County, Ohio.

When Joshua Gorsuch reached his majority he did not feel that there was much opportunity for him to get

land in Ohio so he came to Iowa in 1854. He found land very cheap and later returned to Ohio and persuaded his father to move to this state. The father sold off his possessions in Ohio and the family drove overland to Mahaska County, and settled upon a farm near the home which Joshua Gorsuch has occupied for many years.

Mrs. Gorsuch remained with his parents until after they came to this state when he purchased 80 acres adjoining his fathers farm and started to clear off the heavy timber which covered most of the land. As he worked he thought he would be satisfied with that amount of land after he succeeded in clearing it. In later years, however, he acquired additional acreage until he owned about 700 acres of fine land. This he later divided among his children retaining only the home place for his own. In May 1857 Mr. Gorsuch was married to Miss Eleanor McMasters. To them were born nine children, two of whom Charles Q. and Alfred N. died in infancy. Of the other children, Samuel L., Martha Lathem, Irene Curry and May Bushong have lived in the vicinity of the old homestead since making homes for themselves. Matilda has been with her father while James and Robert E. now reside in California. The family are all here except Mrs. Curry and James whose illnesses prevent them being here.

There are 22 living grandchildren, all of whom one sister Mrs. Mary Latchem of Kansas and one brother William Gorsuch of Mahaska County survive him.

Except for a short interval the family has maintained the home in Union Township, Mahaska County during all these years. The first dwelling house erected by Mr. Gorsuch, was replaced in 1866 by the substantial dwelling which is still in fine condition.

The wife and mother died on May 28th, 1884, since which time the cares of the home have been faithfully administered by the daughter Matilda who with the deceased have constituted the family for many years. A few weeks ago they moved to Montezuma and their residence was taken up in the comfortable homw which the provident father was not permitted to enjoy long.

When a young man it was his desire to gain a good education and he besought his father to help him attend school, but the father considered a common school education sufficient so Mr. Gorsuch only received such an education as the district school of that day afforded.

In 1858 Mr. Gorsuch became a member of the Methodist Episcopal Church and continued an active and consistent member of the church until death. The congregation to which he belonged for many years held its services in a school house but later erected the Church known as Bethel Church about a mile south of Browntown. Mr. Gorsuch was very active in the work of building this church home.

Mr. Gorsuch was a capable man, a successful business man, but withal a man of few words, careful and considerate of those with whom he came in contact. While prominent and influential he did not seek position, either social or political. He was quiet and unassuming, a thoroughly reliable and straightforward man at all times and in all his relations, justice and consideration were manifested. He was a good man and good father and a good friend.

The funeral services were held from the home conducted by Rev. O. S. Baker, pastor of the M. E. Church. Interment was in the family lot in the cemetery in Union Township, Mahaska County near the old home. Miss Tillie Gorsuch and the other members of the family are deeply grateful for the many sympathetic acts and words so kindly offered by their friends during the past weeks.

Obituary Ezekiel W. Gorsuch

Ezekiel W. Gorsuch died in Browntown, after a lingering illness, Sunday eve, July 25. He was born in Delaware county, Ohio, April 17, 1840, was at the time of his demise 46 years, 3 months and 8 days old. He came to the vicinity of Browntown with his parents when but 14 years old. He was married to Mattie Watkins May 1865. They lived happily together for six years, when death parted them. Two children, sons, were born to this union. He was married the second time to Miss Lizzie Morford, of Maryland, in Nov. 1871. Two children came of this union, a son and a daughter. These children, three sons and a daughter are all living at home to comfort, bless and help the mother in her lonely helplessness and sorrow. Bro. Gorsuch was a loving husband and father, a kind neighbor and a good man. He served as a soldier in the war of

the rebellion, was a member of the G. A. R. Post in Montezuma, to which he was greatly attached. He had not been able to meet often with his comrades on account of poor health. His comrades did not forget him, though sick. Many of them visited him at his home and the entire Post, nearly, attended the funeral services at Browntown church and escorted his remains to its last resting place.

They committed the body in the grave with their beautiful service, bestowing upon the casket and in the grave memorials of their love and esteem for their fallen comrade. Bro. Gorsuch professed religion and joined the M. E. church in 1874, and remained a member until his death. He died to good hope of immortality and eternal life. He knew his end was approaching. He talked about the change that was soon to come. He said to his wife, "I am prepared to go. My pain and suffering will soon be over." He talked of death without any fear. He asked his wife and children to meet him in heaven.

The funeral services were conducted in the Browntown M. P. Church by Rev. J. G. Barton assisted by Rev. Downing. Though the day was very hot and dusty, the funeral service was a very large one. (handwritten 7-28-1886 MR).

Obituary Mary Elizabeth Morford

Mary Elizabeth Morford, third daughter of Thomas and Elizabeth Morford of Baltimore County, Maryland, was born Jan 5th 1837 being, at time of decease, Sunday May 17, 1903, 66 years. 4 months and 12 days of age.

Confessed her Savior and joined the Methodist Episcopal church in 1866 and ever since has trusted in Jesus with child-like faith. Came to Iowa in 1860 to keep house for her only surviving brother, William Morford, now of Maitland, Missouri, who is present on this occasion having arrived just one week previous to his sister's death.

Two sisters in Maryland still survive her, Mrs. Anna Tracy and Mrs. Alice Benson, oldest and youngest of a family of seven children.

Lizzie Morford was married to Ezekiel Wheeler Gorsuch of this place, Nov. 21st, 1872 and has ever felt very near his people. Two children were born to this happy union, Nettie Iowa, now Mrs. R. T. Olson, and Orville E. both of whom are nearly broken-hearted mourning the loss of a most loving and devoted mother. Elmer and Oscar are present; they are older sons of deceased husband, which event took place July 25, 1886. These two boys called her ma ever since their baby hood and have been very devoted to her during her illness. They now have loving wives and are good citizens of this place.

Oscar has three children, Mrs. Olson has four; seven little grandchildren will greatly miss their dear old grandma whose voice they will hear on earth no more.

Lizzie was first cousin of the T. L. Brooks children, her mother having been their father's sister. They regard her as next to mother and learned to love her when she came to their father's home 34 years ago. The above and following lines were read at the obsequies by the writer, oldest daughter of T. L. Brooks. Cousin Lizzie died at the home of here daughter, Mrs. R. T. Olson, and was laid in a lovely couch casket surrounded by beatiful flowers and smilax.

George Lorenzen of Montezuma, a very efficient director, had charge of obsequies; six members of Wisner G. A. R. Post carrie the body from its earthly home, and kind and loving friends followed to the Browntown Church, May 19 where a large concourse of people had assembled to pay the last respects to one they loved.

Remains were buried in a cement vault in the Montezuma cemetery.

Obituary William N. Gorsuch

William N. Gorsuch was born on the 16th day of July 1848 in Harrison county, Ohio. He died in Mahaska County, Iowa Thursday morning, June 20th 1918 at the age of sixty nine years, eleven months and four days. He came with his parents to Mahaska County, Iowa and resided here ever since excepting eleven years, (1885-1896) when account of failing health he lived in Kansas.
 On February 11th 1874, he was married to Lucy Sheeley and has lived happily in this union until his death.

Seven children were born to bless the home. Charley LeRoy who died July 10th, 1879 in infancy, Oliver S., living in Marshalltown, Cory Frederick of Lary, Colo., Oscar Clevelan who died at two years of age, was buried in Kansas, Myrtle of New Sharon, Archie of New Sharon and Harry J. who died a year ago at twenty two years of age. All of the surviving children were permitted to be at the funeral.

He joined the Old Browntown Methodist Protestant Church when 27 years old and retained his membership in the church to the end.

He was the eighth son of Charlie and Matilda Gorsuch and is the last survivor of nine children.

He leaves to mourn their loss, his sorrowing wife, four children, and six grandchildren.

The end came rather suddenly. He had been ailing for two years and since last Thanksgiving has failed rapidly. His fatal sickness struck him last Sunday and from this he survived but four days, conscious almost to the end. He continually looked for his children.

A loving husband and kind father, he has passed on to his reward and we look forward to the day when we shall join him above.

Funeral services were held in the Browntown M.E. Church last Sunday conducted by Rev. S. P. Williamson, of Union Mills, assisted by the pastor, Rev. C. C. Jones of Barnes City. Interment was in the Tilford Cemetery.

Obituary John Chauncy Gorsuch

John Chauncy Gorsuch, the subject of this sketch, was born in Delaware County Ohio, in 1852 and emigrated to Mahaska county some 26 years ago. He departed this life on the 21st at 9 o'clock p.m. in hope of immortality. At the age of 21 he gave his heart to God and his name to the Methodist Protestant Church where he lived a consistent christian life until his death. At the age of 23 he united in marriage with Dora Ellis. His wife soon after united with the same church to which he belonged. He is the father of three children, one of whom preceded him to the spirit land some 11 months. It was interred in the New

Sharon cemetery and was taken up and father and son were buried in the same grave in the Tilford graveyard on the 23rd. Funeral conducted by the Rev. P.A. Kepple in the Methodist Protestant church at Browntown, in the presence of a large congregation. His text was Rev. 13th and 14th. "And I heard a voice from Heaven saying unto me, write Blessed are they who die in the Lord from henceforth, yea saith the Spirit, that they may rest from their labors and their works do follow them." Bro. Kepple made a success of his sermon, after which he made a few touching remarks to the friends, especially the widow. Bro. Chauncy leaves 3 brothers, 2 sisters a widow and 2 children to mourn their loss, which loss we trust is his gain. His bereft family have the sympathy of the entire community.

Notes for Jeremiah Kepler

Jeremiah Kepler was born in Ohio on 3 Oct 1834. He was the first child of Daniel and Hannah (Boyer) Kepler, both from Pennsylvania. Jeremiah was three years old when his parents moved into DeKalb County, Indiana. In 1853 on Christmas Day, Samuel Dunham, Justice of the Peace, joined Susannah Griffith and Jeremiah in Marriage. Susannah is the daughter of John and Jemima (Gorsuch) Griffith, both early DeKalb County settlers. In Steuben and DeKalb Counties, farming was the leading occupation and a way of life. Jeremiah established his farming career in Steuben County near Fish Lake (now Hamilton Lake). He reared six children to maturity. They were Frank, Burton J., Charles, Eliza, Frances E. and Jeremiah B. Caring for the horses and other farm chores kept his children occupied and provided the basic training for future farmers. When his father-in-law John Griffith, died, he inherited a share of the Griffith farm. This share was sold immediately to his brother-in-law Lemman Griffith, for the small sum of \$173. It is believed that the low price was in the spirit of goodwill and to assist in smoothly settling the estate. Two years later, Lemman Griffith died from a wound he received at the Battle of Chickamauga. Most of the land that Jeremiah owned and farmed was east of Hamilton Lake. In 1870 he sold 97 acres to Simpson Watkins for the sum of \$3,500. This land was later developed by the Watkins' family into the well known lake resort of Cold Springs. You can't stop progress but Jeremiah knew how to handle certain situations with forethought. An example of this would be his selling the railroad right of way in 1890. He had O. D. Ashley, a railroad trustee, agree to install fences on both sides, one over the bridge wagon crossing and the one grade wagon crossing. In addition to the sale price of \$400, the railroad would have to maintain the crossing in good repair. Jeremiah had a long and full life in and around Hamilton, Indiana. He died February 7, 1916 at the age of 82. His sons Burton J., Jeremiah B., Frank and Charles maintained residence in Steuben County.

After peace was established he settled in Otsego Township and engaged in agriculture pursuits and the buying and shipping of livestock. In 1868 he was elected Assessor, an office he has since acceptably filled. He has served 4 years as Deputy Auditor and had a long official record of about 25 years. About twenty years ago he located in Hamilton where he has endeared himself to all who came in contact with him.

He died at his home in the west part of town after a couple of days illness from heart trouble.

Mr. and Mrs. Griffith celebrated their Golden Wedding anniversary on 1 Sept 1911 having lived an ideal happily married life for 58 years, 4 months and 24 days. The bereaved wife, eight children and 18 grandchildren, with hosts of friends mourn his departure. Funeral services held from the M E. Church at 2 o'clock on 30 Jan 1918. Obituary Martha Ellen Gorsuch

Mrs. H. L. Jones, well known and beloved resident of this community died at her home, Friday morning, following a long and lingering illness. She was aged 74 years, 5 months and 5 days. Funeral services were held from the Methodist church, Sunday afternoon conducted by the Rev. A. H. Barker, pastor of the church. Interment was in the Cemetery and the services at the grave were conducted by members of the circle.

The following obituary was read at the church services:

Martha Ellen, daughter of Thomas and Margaret Gorsuch was born in Mahaska County, Iowa on February 17th, 1853 and died after a lingering illness at her home in Montezuma, at 12:35 Friday morning, July 22, 1927, aged 74 years, 5 months and 5 days.

She was married to Henry L. Jones on April 21st, 1892. Mr. Jones passed away on May 3rd, 1925.

Mrs. Jones was a woman of the highest Christian character, and was respected by all who knew her. Equanimity, patience, kindness of heart, dutifulness, goodness were her virtues. She has been a faithful wife, a good neighbor and true friend.

She was the oldest in the family, and upon her mother's illness, her father's absence in the army, and later his death she stepped right up, assumed the responsibilities that fell to her and walked hand in hand with her mother in caring for the younger members of the family to whom she has been almost like a second mother, and who feel for her that tenderness which grew out of her protection and care for them. She has been for more than half a century, a devoted and faithful member of the Methodist Episcopal Church, being converted and brought into the Church during the pastorats of the Rev. L. O. House. This pastor has always found her a regular attendant and an appreciative listener and friend. She has very much enjoyed the church and her Sunday School class. Her faith meant everything to her and during hours of pain and suffering, has steadied her, and given her courage and faith to endure.

Mr. Jones was a soldier in Co., K, Second Iowa Infantry during the Civil War, and she was an active member of the Wisner Circle Ladies' Auxiliary of the G. A. R.

She has been in unusually good health during the winter and spring but chautauqua time found her with a slight limp that developed into a paralysis. Six or seven weeks of suffering then followed which she endured with patience and cheerfulness. She gradually declined until Friday morning when her spirit winged its way to the gates of light, and she entered into a blessed and perfect rest.

She leaves to mourn her passing the following brothers and sisters, J. J.; D. T.; Mrs. O. J. Butler; Mrs. W. A. Wells; Mrs. J. A. Fulton; and C. W. all of Montezuma, and Mrs. H. F. Good of Iowa Falls, as well as

nephews and nieces, other relatives and many friends.

Mr. Fulton was one of Montezuma's most respected citizens. He lived in Poweshiek county 62 years and was a resident of Montezuma for 40 years. His failing health the past year and a half deprived him of taking active part in any of his interests.

John A. Fulton was born in Allegheny County, Penn., Dec. 27, 1846, living there until he was fourteen years of age when he moved with his parents, William and Mary Fulton, to Illinois in the fall of 1860. They lived there until 1868 when they moved to Poweshiek County, settling on a farm Southeast of Montezuma. He lived here with the family for many years, helping in the development of the new Country. In 1890 he moved to Montezuma, after which he engaged for a time in the implement business, and for many years engaged in buying and shipping stock.

On December 20, 1911, he was happily married to Laura Gorsuch, who survives. Mr. Fulton was the eldest of nine children, being at the time of his death almost eighty-four years of age. One brother and five sisters are still living and with Mrs. Fulton mourn the passing of the beloved brother and husband. They are: Mrs. William Kimbley, Mrs. John Light, Mrs. George Burtchly and William Fulton, all of Montezuma, and Mrs. Clarence Ballard of Salem, Ore.

Mr. Fulton united with the Methodist Episcopal Church in 1915, and was a faithful attendant until failing health hindered. For the last year and a half he has been in such a state of health as to prevent his taking active part in any of his former interests.

He has lived long and well in this community and the stern reaper found him fully ripe and ready for the harvest, both in years and deeds, but in spite of that his passing will be mourned by many more distant relatives than those mentioned above and by a host of friends who have respected and honored him for his uprightness and stalwart Christian manhood.

Fred Gorsuch, son of Daniel and Mary Gorsuch, was born in Montezuma, Iowa, Dec 2, 1865, and passed away at his home north of Baileyville, Feb. 16, 1941 at 75 years, 2 months and 14 days of age.

On February 23, 1893, he was married to Sadie Lockard at Oskaloosa, Iowa. To this union was born one daughter, Lela. With his wife and daughter he moved to Kansas in 1903, locating on a farm he had recently purchased and which was his home until his death.

His father, mother, two brothers and five sisters preceded him in death.

He leaves his wife, daughter, Mrs. Lela McCaffrey of Seneca, two grandchildren, Fred and Mildred McCaffrey, three brothers, George of Des Moines, John of Montezuma, Iowa, and Clay of Barnes City, Iowa, other relatives and many friends.

He was a member of the United Brethren Church, being baptized in 1923. He served faithfully on the church board until illness prevented. He was a man of rugged health until he suffered a farm accident, August 12 the results of which, together with complications, caused his death.

He was a farmer who loved his farm, home and the tilling of the soil. He was particularly a lover of fine horses and was deeply attached to the horse with which he worked and farmed his land, a lover of the out-of-doors, possessing a very simple and fundamental faith of God. A devoted husband, father and kindly neighbor. Throughout his suffering, during the months of illness, he was most patient and never lost his faith in his God. --Courier-Tribune, Seneca, Kans. Obituary Samuel Linza Gorsuch

It was a shock to our people last Thursday when the news came from Des Moines that S. L. Gorsuch had passed away that afternoon at a hospital in that city.

Mr. Gorsuch had been in ill health and he was taken to the Methodist hospital in Des Moines in hopes that an operation would restore his health. He seemed to recover from this operation and then other complications developed and the end came quickly.

His body was brought here Friday evening and was taken to the home.

The funeral was held yesterday afternoon at Bethel Grove. The service was conducted by Rev. Scott, of Barnes City, and was attended by all the people of that community who had known the deceased all his life. Burial was made in the Masonic and IOOF Cemetery in Montezuma. At the grave the Masonic burial service was given.

Samuel Linza Gorsuch, second son of Joshua and Eleanor Gorsuch, was born August 31, 1859, on a farm in Mahaska County, one-half mile from his present home, and died at the Methodist Hospital in Des Moines 14 Apr 1921.

He was united in marriage to Alida A. Curry, September 4, 1887. To this union three sons were born; Robert, who died at the age of six years, Charles William and Lesley L, both living in Mahaska County, near

their father's home.

Mrs. Gorsuch died March 26, 1896, and on February 21, 1897, he was united in marriage to Sarah Elizabeth Gilbert. To this union were born four children: Mrs. Bertha May McCartney, and James L. Gorsuch, living on farms near their father's home, and John Raymond and Clyde Cecil at home. There is also four grandchildren.

Besides his family he leaves to mourn his loss two brothers and three sisters; Robert and James Gorsuch, of Thornton, California, Mrs. Matilda Latchem; Mrs. Irene Curry and Mrs. May Bushong.

Mr. Gorsuch was a regular attendant of Bethel Grove Methodist Church; always interested and helpful in the work of the church. He was an honored member of Lafayette Lodge, No 52, AF & AM, of Montezuma, and of the Eastern Star chapter of Barnes City.

His entire life of 61 years has been spent in the same neighborhood where he had the love and respect of all who knew him. A loving husband, an ideal father, a real companion for his children and happy as he saw them gathering about him. We can pay him no higher tribute than the words of love and respect and the sorrow for his loss expressed by his neighbors and friends. His has been a life worth while.

Obituary Tillie Eleanor Gorsuch

Tillie Eleanor Gorsuch, daughter of Joshua and Eleanor Gorsuch, was born near Bethel Grove, June 5th 1866, and died at Mahaska Hospital, June 12, 1930, at the age of 64 years and 7 days. Funeral services held from the Methodist Church here, June 15, conducted by the Rev. J. W. Potter, pastor of the Methodist Church at Oskaloosa. Interment in the local cemetery.

Mrs. Latcham was the sixth of a family of nine children, three of whom survive her. The brother living is James L. Gorsuch, of Lodi, Calif. the sisters being, Mrs. Irene Curry of Oskaloosa and Mrs. Mary E. Bushong of Montezuma. Of the five preceeding her in death, two died in infancy Martha Anna, who died May 10, 1914, Samuel L., who died April 14, 1921, and Robert E. who died August 11, 1924.

She was converted early in life at a camp meeting held at Bethel Grove and united with the Bethel Methodist Church, of which she was a consistant member, and of which she was organist for many years. Several years ago she moved to Oskaloosa and placed her church membership in the Methodist Church there.

She was married October 5, 1916 to Benjamin R. Latcham and was a very faithful companion.

During her young life the cares of the home were faithfully administered by her for 28 years, owing to her mother's early death. She also cared for two nephews, Charles and Leslie Gorsuch several years of their young life, and made a home for Tillie E. Bushong and cared for her and gave her a high school education. The community feels the loss of a good woman from its midst. Though she had been a constant sufferer for almost two years, she was always planning for the future. Her warfare ended, she rests from her labors and her works do follow her. The Montezuma Republican.

Another Obituary Harry Max Gorsuch

Harry Max Gorsuch was born June 1, 1895 in Osage County, Kansas and died at the Mahaska Hospital in Oskaloosa, June 4, 1917.

When one year of age he came with his parents to the Bethel Grove Community where he lived until a few months ago.

On February 17, 1917 he was united in marriage to Miss Minnie Secres of Eddyville, Iowa. They went to housekeeping immediately on the Joe Horn farm near Montezuma.

About May 1 he was taken sick and after four weeks was removed to his fathers home. Here every thing that could be done was done for him, and on Sunday May 27, he was taken to the hospital at Oskaloosa where he underwent a very critical operation. For a time it seemed that he would recover speedily, but on Monday last he became suddenly worse and passed away at 9:40 p.m. The body was removed to his fathers home.

He leaves to mourn his loss, the aged father and mother, his wife, three brothers and one sister. There are also a number of cousins, some of whom acted as pall bearers, many other relatives and a host of friends.

The funeral was held at the Bethel Grove Methodist Episcopal Church on Thursday afternoon at 2:00 o'clock, conducted by Rev. C. Cray Jones. Interment was made in the Tilford Cemetery east of Bethel Grove.

Notes for Eugene Griffith

Eugene graduated from Hamilton Schools on May 25, 1885, after which he began teaching. He taught nine terms, seven at Hamilton, one at No 5 and one of No 6 districts. He gave up teaching and started to school at Ann Arbor, Michigan expecting to enter the medical profession, but quit school to enter the US mail service in Nov 1891. He was a postal clerk on the New York and Chicago Railroad. His run was between Cleveland and Chicago. Word was received Jan 28, 1894 that he had been sandbagged on Van Buren Street, a short distance from the Lake Shore depot and was taken to the police station just across the street from the depot. B. F. was able to make his way to the hospital earlier on the day Eugene died. Services were at the M.E. Church at Hamilton, conducted by Rev. A. H. McKee with burial in the Hamilton Cemetery. There was supposed to have been at least 1000 people in attendance at the funeral.

All are sorry at the loss of another fine representative of the community and will long remember his good deeds and many kindnesses. Mr. McKee had reached the age of 65 years, 3 months and 19 days.

Funeral services were held Sunday afternoon, August 8, at two o'clock from the Presbyterian Church with the Rev. D. E. Freeman delivering the impressive services.

Music was furnished by Mrs. Harold Bone and Mrs. R. A. Vanderwal who sang, accompanied by Earl Brown on the piano.

Pallbearers were S. A. Blain, Fred Bissett, Charles Cummings, C. F. Dickson, Clarence Hicks, and J. V. Stilson. Burial was in the local Masonic I.O.O.F. Cemetery.

William Edgar McKee was born in Montezuma April 17, 1883, and passed away at his home on August 6, 1948, at the age of 65 years, 3 months and 19 days. He was the son of William C. and Margaret McKee, both of whom preceeded him in death.

Obituary Maude Estelle Hutchinson

Unexpected death struck quickly and without warning here Saturday morning when Mrs. Henry Hutchinson, beloved and respected lady of this city succumbed to a heart attack in her home at 9:45. Mrs. Hutchinson had been in good health, apparently in the best spirits although suffering from a cold. She, with Mr. Hutchinson and Wayne, who was to have left for flying training that morning, bid goodbye to their youngest son.

Mr. Hutchinson had gone to the farm, but stopped at the home of his brother, Ray, to ask that Mrs. Hutchinson go over home and visit with Maude, for she did not at that time look well.

Mrs. Hutchinson went across the street and the two ladies sat down to visit a bit. Death came as she set in a chair, before medical aid could be called.

Funeral services were said from the Presbyterian Church of which she had long been a member and an enthusiastic worker, Monday afternoon, conducted by the Rev. Warren Ives, the pastor. The church was completely filled with friends and relatives who gathered in living honor of the beloved Christian lady and mother. Practically every seat upstairs was occupied as was the balcony. The basement was also used and a loud speaker carried the well worded message presented by Mr. Ives.

Maude Estelle Hutchinson, daughter of Mr. and Mrs. Dan T. Gorsuch long time and respected resident of this city was born on the Gorsuch farm, November 7, 1891 and died at her home, Saturday, Dec. 5, 1942. Her entire life was spent in this vicinity, her younger days on the farm, later moving to this city, where she took an active interest in the community and was a willing worker in the activities of the Presbyterian Church. The Christian life she led is an open book. Friendly, helpful, a good neighbor, true to the beliefs, her untimely death saddens this city and county side.

Very appropriate music was rendered by Mrs. Warren Ives who sang. E. J. Brown accompanied her on the organ. "Home of the Soul" has been sung at a Gorsuch funeral starting with Mrs. Margaret Gorsuch in 1908.

The Rev. Mr. Ives delivered a stirring Memorial sermon stating that everyone knew what sort of a woman she was and the life she had lived. He also read two very appropriated poems. Mr. Ives talked under mental strain but failed to show it, until the completion of the beautiful tribute to mother and Christian. Pall bearers were C. E. Olson, J. Fred Cochran, Austin Sharer, B. A. Vanderwa, Fred Mitas and David Sutherland.

Burial was in the family plot in the local cemetery.

Led Happy Life

She was happy, pleasant, enjoyed working in the Presbyterian Church, ever willing to lend a hand where needed and her counsel and advice was for the best. A truly Christian lady, a good neighbor and friend to all.

Maude Hutchinson enjoyed visiting with people and on Friday last was down town, talking and joking with her numerous friends. She certainly had no enemies. No doubt in her heart she was thinking how much she would miss Wayne, who had answered his country's call and was to have reported in Des Moines Saturday morning. However, no one knew of her worry, for she did not permit it to appear.

Happily married to Henry Hutchinson, this fine American family sent its two sons through school here, later the boys took college work, Maynard at Ames, Wayne at the University of Iowa. All the years they have lived here the Hutchinson's and Gorsuch's have been good, hard working people, interested in school activities and the good in the community. On Friday night, the Hutchinsons enjoyed the basketball game as they have for many years, following each player as he came and went in the game, both at play and in

life.

Besides the husband, Henry Hutchinson, Mrs. Hutchinson leaves the two sons, and also two sisters, Mrs. Ethel Gorsuch McKee, southeast of town and Mrs. Blanche Gorsuch.

 Obituary Ida Fay Gorsuch
 Ida Faye, daughter of Mr. and Mrs. J. B. Gorsuch, died last Friday afternoon at the parental home, following several days of suffering from injuries received in an auto accident near the old D. I. Gorsuch farm. Her left limb was badly lacerated by the wind shield. The loving care of parents and relatives and

the closest attention by those skilled in medicine and surgery was of no avail against the hand of death. The death of this little girl takes from bereaved parents a loving child, one who reciprocate the deep affections of those who loved her. Always bright and cheery, she was as a ray of sunshine in the home. The many relatives and friends of the parents grieve with them over the deep sorrow that has come to their home.

Ida Faye Gorsuch, only daughter of John B. and Blanche Gorsuch, was born Apr 30, 1904, and died at the home of her parents after an illness of five days, September 29, 1916, aged 12 years, 4 months and 29 days. Little Ida was of a bright and cheerful disposition and was loved by all who knew her. Besides her sorrowing parents, she leaves to mourn her death, one brother, Thomas, her aged grandparents, and many other relatives and friends by whom she will be missed greatly.

Largely attended funeral services were held at the Methodist Church on Sunday afternoon, conducted by Rev. George Blagg, assisted by Rev W. A. Hunt. Appropriate selections were sung by a quartet composed of Mesdames High and Gorsuch and Messrs Heath and Good. The burial was made in the Masonic and IOOF cemetery.

The pall bearers were Ernest Bangham, W. L. Wilkinson, Ralph Sweny, Dewey Butler and Lois Gorsuch, all relatives of the deceased.

The flower girls were Margaret Butler, Ruth Sweny, Rosa Butler, Lotus Wilkinson, Vera Litzenburg, Beatrice Sutton, Edith Rowland and Alice Dorn. The remains were laid to rest in the beautiful Montezuma cemetery.

Ancestors of Charles Gorsuch:

According to a posting a few years ago on the GenName Newsgroup, by Kate Press (of Australia) the Gorsuch family name originated in the small village of Scarisbrick, located about 15 kilometers north of Liverpool and 6 kilometers northwest of Ormskirk. There lie the ruins of Scarisbrick Hall. About 1200 AD Scarisbrick was the home of yeoman farmer Walter de Scarisbrick, who had 2 sons, Henry his heir and

Adam. As the estate would pass to Henry, Walter assigned land to Adam at a place called Gosfordsyke (the place where the Geese ford the creek). The name Gorsuch derived from the younger son Adam de Gosfordsyke, a place name. The name Gorsuch was applied to an estate there in the 1600's and there remains a Gorsuch Lane there today.

Obituary Mary B. Robinett

Mary B. Robinett, the daughter of Joseph and Etta Elnora (Brunner) Robinett, was born July 28, 1898 in

Richland Township, Steuben County, Indiana. She was born in the new house that her father had finished in 1896 to replace the log cabin. Her mother died before she was three years old. She lived with her father and sister, Ethel A. Robinett and cousin Jake Munn. He father remarried in 1903. She was raised by the step-mother, Sarah Somerlott, who she called "Mama". She said, Mama was a stylish lady, and liked to entertain. In 1906, a little sister, Sevilla Irene Robinett, was born. Mary went to school at Bethel along with her little friend, Florence Eyster. They have been friends since they were three years old and have remained such till the end of her life. The Bethel School was a one room school through the 8th grade. After Bethel Mary and Florence went to Edon High School. They drove a horse and buggy. Mary's dad furnished the horse and buggy and Florence's father paid for the storage and feed for the horses while they were in school. After high school, Mary attended Tri-State University to prepare herself to be a school teacher. She taught three years in three different schools. One year she taught at Bethel and had her younger sister, Sevilla, Erma Robinett and Ruth Eyster (Florence's sister) as some of her pupils. Another year, she taught at Paige, near Metz, Indiana. While she worked at Paige she stayed the week at someone's home and only came home for the weekend.

The story is told that Grandma sent her boyfriend, Alfred Tingler, after her on Friday nights. It is not known where the third school was located.

After these three years, Mary went to Fort Wayne Business College. She then went to work in Washington, D. C., as a secretary. While there she met George William Gould. She then came back to Indiana and on June 29, 1920 she and George were married in Richmond, Indiana. George was working in Dayton, Ohio. He told her that they should meet halfway between these two places to be married. She laughs and says, There was no halfway about it, as I went MOST of the way!!

George was a Photographer by trade. He was born in Smithton, Pennsylvania, in August 17, 1892, the son of a German Immigrant. Mary and George lived in Dayton, Ohio, for a short while and then moved to Erie, PA. Everett J. Gould was born in 1921 while they were in Erie.

In 1922 they moved to Colby, Kansas, where they bought a studio. Mary says, That was quite an experience...taking that trip. All the roads were dirt and about one lane wide. I guess he had built-in radar, because Mary said he didn't even have a map. She was embarrassed about their load. We had our car loaded down. But that didn't bother Daddy any.

He was really excited about the trip. While in Colby, Ethel Mae was born in 1923 and Joseph William was born in 1928. In 1929 they moved back to Indiana to Grandpa's farm (where Ethel and Galon Campbell were living) and stayed with them for a short time until George found employment in Detroit, Michigan. There in 1930 Robert A. was born. In that same year the family moved to Fort Wayne, Indiana. They lived there until 1931 when they moved to Nappanee, Indiana. He opened a studio in town and later moved it to their home. Paul G. was born there in 1936 and Glen A. in 1938. They lived there until 1946. Everett, Ethel Mae and Joe graduated from Nappanee High School. Everett joined the Army during World War II. Ethel Mae went to college and Joe entered the Army in 1946 after he graduated from high school. George and Mary bought a home in Elkhart, Indiana. There they had a studio in their home. George died in 1950, and after Paul got married in 1963. Mary lived there alone until she died on December 29, 1985. Mary was a devout Christian all her life, never missing church until she suffered a stroke in 1976.

Obituary Reynolds George Gorsuch

Reynolds "Rey" Gorsuch passed peacefully Feb 21, 2009, at his home. Rey was born Jan. 2, 1925, in Roseland, Neb., and had eight siblings. In 1933, he journeyed in a home-built camper with his family to Phoenix, Ariz., where they built their own home. He started school at St. Francis Xavier and graduated from St. Mary's High School, excelling in Latin, math and science, and managed to play football while working various jobs.

Rey joined the Navy in 1943 and went to the University of Colorado in OCS, where he graduated in Mechanical engineering with a minor in naval science and as a Radioman 3 class. In World War II, he served on the Battleship Iowa, and later on the Cruiser Springfield. He left the Navy as a lieutenant. Rey went on to Arizona State University and graduated with a BS in physics and a minor in business administration (magna cum laude). While attending ASU, he met his wife, Patt Schulz, whom he loved and was dedicated to for 58 years. Rey and Patt went to the University of Arizona in Tucson, where he was studying for an MBA in business. At the three universities, he was a member of EAE fraternity. They eventually moved to Southern California, raised their son, Geoff, and raised Arabian horses. In 1977, they moved to the Napa Valley, planted grapes, and built their home on their property, where Rey founded Goosecross Cellars.

During his life, he was involved in engineering design with Northrop Aircraft and North American Aviation. Rey became accomplished in medical equipment design, which included the first artificial heart, respiratory ventilators, infant incubators and monitors, blood pressure transducer and a future portable/wearable kidney dialysis unit.

Rey is survived by his wife, Patt; son Geoff and his wife, Karen; grandsons Clinton, Devon and Owen; and his sister, Jenna. His true generosity, caring and kindness will be missed by all who knew him.

Occupation: Fire Chief and Owned a Drug Store after he retired.

The Life of Virgil C. Chrisman

"Uncle" Virgil lived in Miami, Florida during the 1950's and owned a drug store and soda fountain after retiring as a Fire Chief. His son, Edward, was about 18, drove his younger cousins around Miami teaching some of the facts of street life. As pre-teens, Virgil let Bob and Bud help with the soda fountain...where we made ourselves more sodas and milkshakes than for customers. "Oh Mein Papa" was a popular song on the juke box, and one day Virgil got so sick of it, he opened the jukebox and hurled the record out the door...pretty funny to us kids.

Virgil had an uncle (our grand-uncle) living in Hialeah, Florida who was also a retired Fire Chief.

Hand Written note by Letha Helen Gorsuch

I Letha Helen Gorsuch Hall was born in Union Township, Mahaska County, Iowa at 12:10 A.M. February 2, 1912. Had I been born 11 or 12 minutes sooner, I could have collected social security one year sooner. My parents were both twenty years old when I came. In a couple of months they were both twenty-one. They lived on a farm which they rented from my grandfather Samuel Linza Gorsuch. The farm was located 6 miles south of Montezuma, Iowa.

My father farmed with horses and the winter I was born, he hauled coal to Montezuma from a coal mine between New Sharon and Montezuma. When hogs were ready for market, they were delivered to town in a horse drawn wagon. Neighbors would come with horse drawn wagons to help. We drove to town with a horse drawn spring wagon to deliver cream and eggs and to buy supplies.

The only well we had was located near the barn and had to be carried to the house in buckets. The water was very hard. My mother used the kitchen stove to heat the water. For washing clothes she put Lewis Lye in the water to break it then washed with the tub and board; overalls, socks, diapers, the whole list. Her knuckles would bleed from the strong lye in the soap. The clothes were hung over a line to dry winter and summer.

My dad liked to hunt and during the winter, he would shoot squirrels rabbits, skin and dress them and hang them on the clothes line to freeze. We had meat fried in lard, fresh fried potatoes in lard and pie crust made from lard. My father butchered his own hogs and we rendered the lard. We had not heard the word

cholesterol.

When I was five years old my parents bought a small red sled for my Christmas present. After dinner my father took me to a small snow covered hill to show me how to run with the sled, jump on it and ride down the hill. He proceeded to demonstrate and as he jumped on to the sled he fell off it because it was so small. I thought that is too bad. He is too old to do that anymore.

March 23, 1918 I was visiting my Grandma and Grandpa Gorsuch. During my visit with them, my baby brother Samuel Robert Gorsuch arrived down home where my mom and dad were. The man who worked for my Grandpa walked with me down the road to see the baby. The man said to me "I saw Dr. Williams driving down the road with his horse and buggy".

Obituary Keith Martin Curry

Short services were held last Thursday afternoon for Keith Martin Curry, stillborn son of Mr. and Mrs. Fred Curry of northwest of this city, with the Rev. R. L. Carlson of the Methodist Church of Barnes City in charge. Burial was made in the Barnes City Cemetery.

Mrs. Paul Konecny and Mrs. Ralph Limbirth, accompanied at the piano by Mrs. Maud Ferguson, beautifully sang. Pallbearers were Virginia Watson, Marle Lindbloom, Elsie DeYoung, and Ruth Dalbey.

The birth of Keith Martin Curry was much anticipated by the family. His life was going to add joy to their home. But Providence turned the tables and this baby, normal and perfect, never breathed after birth, but gave its life to bring sorrow to its parents.

Disappearance of Joyce H. Waymire

It is my understanding that my mother Joyce disappeared from my grandmothers house after seeking a modeling job from a Los Angeles newspaper ad. Joyce was married prior to her husband being sent out by the Navy. They were divorced after his return as they hadn't spent a great deal of time getting to know one another. Joyce had become pregnant with me and when he returned and they divorced Joyce took me and went to live with her mother. It was thought at one time that she might have been one of the women murdered around the time of the Black Daliah murders but her body was never found. Another thought was that the ad she answered was for white slavery in the Orient. After her disappearance my grandmother wanted custody but my father wanted to put me up for adoption. He wanted a young couple to raise me. My name at that time was Victoria Ann Waymire with a nick name of Cookie. George Emmett Cones and his wife Norma Sarah Mills Cones adopted me and my new name was now Victoria Ann Cones.
